

EXPANDING & CONNECTING LEARNING COMMUNITIES

IMPACT REPORT
2024

Suzuki Association
of the **Americas**

WELCOME!

Dear Friends,

These last two years, the Suzuki Association of the Americas (SAA) has made significant strides in our mission of creating learning communities across Latin America, the United States and Canada. We are so deeply appreciative of the support of you - the teachers, parents, board members, businesses, and students who make up the SAA. With your incredible momentum our community:

- **Raised \$15,460 toward scholarships** for members of the SAA to propel Dr. Suzuki's mission forward.
- Recruited and **added 1,930 new members** in the last 2 years!
- **Engaged 3,752 teachers, artists, and leaders attending the 2024 SAA Conference** - our largest conference to date!

However, our work is far from complete. Our goals for the upcoming year include growing membership even more, broadening member offerings, and expanding teacher education. From the bottom of our hearts, we are sincerely grateful for your steadfast support for the Suzuki Association of the Americas - and in keeping Dr. Shinichi Suzuki's vision alive.

"Where love is deep, much can be accomplished."

With gratitude,

Kerri Williams
